# Access Audit

An Access Audit establishes the performance of a building in relation to access and ease of use by a wide range of potential users, including people with physical mobility and sensory impairments.

GCIL Equality Academy Access Audits are carried out by our experienced auditors, and take into consideration not only compliance with regulations but also best practice, this approach enables your organisation to future proof the accessibility of your workplace. Our Access Audits will ensure that your workplace meets and exceeds the standards set out in:

- The Building (Scotland) Act 2003
- The Building (Scotland) Regulations 2004
- Disability Discrimination Acts 1995 and 2005
- The Equality Act 2010
